

Agreed Report 05/12/23

The Board commended the staff for the Continuation of initiatives and their exploration of initiatives such as say yes to languages, curious Minds and Blue Star programme. The Board members were delighted that our recent exceptional review for SET hours was successful and we were granted an additional 5 hours allowing us to have a full time Special Education Teacher going forward. This is a great advantage to pupils and staff of the school. As the new Board will have taken over from the 1/12/23, the principal , staff and parents of the school would like to thank the Board of Management members 2018-2023 for all their hard work , effort and dedication to the school. Thank you to:
