Treasurer	Helena Hickey
Vice Treasurer	Michelle O'Hara Murphy
Committee Member	Evelyn O'Halloran
Committee Member	Noelle Mc Sweeney
Committee Member	Mary Moynihan

Our Values

- **Fun for the children:** The Parents Association will continue to support the school in creating a fun learning environment for the pupils. Organise seasonal events and fun activities for the children. Encourage the school community to actively participate in some fundraising projects for their school.

PROJECT 1: Sensory Area

PROJECT 2: School Astro Turf (with the help of sub-committee in the community)

- **Fundraising for the school.** The Parent Association are committed to making fundraising transparent and accountable. We will ensure to effectively apply your gifts and donations for their intended purposes.

Fundraising funds make a real difference to the school as they finance projects that would otherwise not be possible. We will update families with upcoming identified projects and how we plan to utilise the donations.

- **Parent Engagement:** The Parent Association will provide relevant / general information about school, upcoming events and fundraising. We endeavour to promote positive relations and co-operation between home and school.

Communication

The Parents' Association communicates with families via the Knocknagree NS Parents What's App group. It is a great platform for parents to communicate with each other.

Please contact the Parents Association by email.... knocknagreeparents@gmail.com
