

## **Internet Acceptable Use Policy**

**Knocknagree National School**

**Roll No: 18549D**

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to this privilege will be withdrawn and appropriate sanctions – as outlined in the AUP – will be imposed.

### **School's Strategy**

The school will employ a number of strategies in order to maximise learning opportunities and reduce risks associated with the Internet. These strategies are as follows:

#### **General**

- Internet sessions will always be supervised by a teacher.
- Filtering software and/or equivalent systems will be used in order to minimise the risk of exposure to inappropriate material.
- The school will regularly monitor pupils' Internet usage.
- Students and teachers will be provided with training in the area of Internet safety.
- Uploading and downloading of non-approved software will not be permitted.
- Virus protection software will be used and updated on a regular basis.
- The use of personal USB keys or CD-ROMs in school requires a teacher's permission.
- Students will observe good "netiquette" (i.e., etiquette on the Internet) at all times and will not undertake any actions that may bring the school into disrepute.

#### **World Wide Web**

- Students will not visit Internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.
- Filtering software and/or equivalent systems will be used in order to minimise the risk of exposure to inappropriate material.
- The school will regularly monitor pupils' Internet usage.
- Students will use the Internet for educational purposes only.
- Students will be familiar with copyright issues relating to online learning.
- Students will never disclose or publicise personal information.
- Students will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

### **E-mail**

- Students will not have access to email facilities at school. Any emails to other children/schools, will be sent through the school email address.

### **Internet Chat**

- Students will only have access to chat rooms, discussion forums or other electronic communication forums that have been approved by the school.
- Chat rooms, discussion forums and other electronic communication forums will only be used for educational purposes and will always be supervised.
- Usernames will be used to avoid disclosure of identity.
- Face-to-face meetings with someone organised via Internet chat will be forbidden.
- Skype may be used for contacting other children/schools for project work, or penpals. This will only be done under teacher supervision.

### **School Website**

- Pupils will be given the opportunity to publish projects, artwork or school work on the World Wide Web.
- The publication of student work will be co-ordinated by a teacher.
- Pupils' work will appear in an educational context on Web pages with a copyright notice prohibiting the copying of such work without express written permission.
- Digital photographs, audio or video clips of individual students will not be published on the school website. Instead photographs, audio and video clips will focus on group activities. Video clips may be password protected.
- Personal pupil information including home address and contact details will be omitted from school web pages.
- Pupils will continue to own the copyright on any work published.

### **E-Portfolios using Google Drive or Seesaw App**

- Pupils will be given the opportunity to store samples of their work in an e- portfolio using Google Drive or the Seesaw app
- The storing of student work will be co-ordinated by a teacher.
- This e-portfolio will be password protected and each child will have their own individual folder
- Personal pupil information including home address and contact details will be omitted from this e-portfolio

### **Legislation**

The school will provide the information on the following legislation relating to use of the Internet which teachers, students and parents should familiarise themselves with:

- Data Protection (Amendment) Act 2003
- Child Trafficking and Pornography Act 1998
- Interception Act 1993
- Video Recordings Act 1989
- The Data Protection Act 1988

## **Support Structures**

The school will inform students and parents of key support structures and organisations that deal with illegal material or harmful use of the Internet.

## **Sanctions**

Misuse of the Internet may result in disciplinary action, including written warnings, withdrawal of access privileges and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

## **Ratification & communication**

When the Acceptable Use Policy has been ratified by the board of management, it becomes the school's agreed Acceptable Use Policy. It will be circulated within the school community. Parents/guardians and students should be informed of the Acceptable Use Policy and asked to sign a permission form for their child.
